

## ATAC-Adversary Center of Excellence Opens at Fort Worth Alliance Airport

### DETAILS:

- Airborne Tactical Advantage Company (ATAC), part of Textron Airborne Solutions, has inaugurated its Adversary Center of Excellence (ACE) at Fort Worth Alliance Airport
- The ATAC-ACE will be the future home of the company's largest operation to date, with a facility envisioned to include up to 200 personnel responsible for the maintenance of over 80 high-performance aircraft operating at multiple locations throughout the U.S.
- The ATAC-ACE will be a maintenance, logistical and operating center for ATAC's upgraded Mirage F1 fighter jets as they conduct adversary air and other training missions in support of U.S. military forces
- ATAC is the leading provider of outsourced commercial, tactical airborne training to the U.S. Department of Defense and has proudly provided the highest-quality live-fly support to U.S. carrier fleets, weapons schools, squadrons, and wings for over 20 years
- ATAC's current fleet consists of over 90 high-performance and supersonic tactical fighter aircraft flying in excess of 5,000 hours per year, and over 55,000 hours in its history
